Great Golfing Fun for Everyone!

The Cause

The loftiest of goals and most ambitious of plans come down to just three words...

Duty, Honor, Country.

We are now part way there, but *we still need your help* to complete the journey. To that end, we are proud to announce the

8th Annual

Heroes' Open

Saturday, October 28, 2017

Join us for a day of golf benefiting the Central Coast Veterans Cemetery.

Since last year's opening of the California Central Coast Veterans Cemetery, nearly 400 veterans have been placed in the columbaria. A great first step, it still leaves a glaring void for many veterans who, due to religious or cultural reasons, cannot be cremated.

We are now working to fill that void with the first planned expansion of our cemetery. We cannot allow any veteran to be denied their right to an honorable resting place alongside their brothers and sisters.

There is a requirement for about \$3 million in local funds with about \$1 million raised to date. Your generous support is needed to get those remaining funds in place and make this expansion a reality.

Your donating to and/or playing in the Heroes' Open will help us get where we need to go and help guarantee all our veterans have the opportunity to be interred here, near their loved ones.

Please help us serve those who served our nation. Sign up now to play or donate. You'll have fun and feel great knowing you are making an important investment in the lives of local veterans and their families.
