JACK STEWART AWARD

The Jack Stewart Award is presented annually at the UVC recognition dinner to a Monterey County person who has donated their time, money and or services to causes supporting either veterans or active duty military. These persons should not be veterans but rather people who have significantly supported veterans or active duty members in a volunteer capacity.

Nominations for the Jack Stewart Award must be turned in to the United Veterans Council not later than the close of business on the last Tuesday of September each year.

The nominations will be considered by the United Veterans Council Executive Committee following the September United Veterans Council Meeting. The winner will be notified and invited to attend the recognition dinner at the date and time appropriate for that year.

The information requested on the nomination form (see page 2) is required to aid in either the selection or notification process.
