Instruction

1. UVC will provide support to veterans based on verification of veteran status and need.
2. Fill out the form and email to esm_ret@comcast.net . After emailing request please call Sid Williams at (831) 601-3263. If unavailable leave a voice mail message with your name and number.
3. Requests will be reviewed when received from one of the acceptable organizations in order to verify the need and the veteran status of person requesting assistance: Monterey County Military and Veterans Affairs Office, Veterans Transition Center in Marina, Veterans Resource Center. Other sources may request assistance and provide verification on a case by case basis. For example: Post Chaplain's Office or Chain of Command.
4. In order for UVC to make a decision about the request you must provide as much detail as possible in your paperwork. It is helpful if we understand what if anything the veteran can contribute to the project and if the need is short term or can be repaid by the veteran or will this be a donation.
5. Emergency requests will be processed by UVC via telephone polling of the Board of Directors. This may take as much as a few days depending on availability of members.
6. Generally, monies will be paid to the vendor (hotel, car repair shop, etc.) rather than the individual veteran. If the need is to pay the veteran personally, information as to why must be provided along with the request.
7. Questions may be referred to Sid Williams at the above phone or email.
