Supporting Veterans is our Mission. It is also our Honor and a Privilege.

Homelessness in our Veteran population is a reality here on the Central Coast. The newly formed Monterey County Veterans Standdown was formed to assist our veterans and hopefully fulfill their needs and to provide them with a better standard of living.

In military terms, to standdown was when personnel returned to their base camp and were able to rest and recuperate. Meals, clean clothing, and a safe place were paramount for their wellbeing. The mission of the standdown in the civilian world has the same basic tenets. We provide a space to eat, get clean clothing, and to rest; as well as connect with services they may need through social services, the VA, SPCA for their animals, as well as providing information to other resources.

Veterans never leave another veteran behind. We are asking for your support in completing our mission to provide support for those who served our great country. Our goal is to provide one- or two-day events twice a year to reach as many veterans as possible.

Monterey County Veterans Standdown is a 501(c) (3) public charity organization whose sole mission is to provide these services to our Veterans. Our tax-exempt number is: 92-078382.

Please, help us help them. Your gracious donation will go to help those who served. No Veteran shall be left behind.

Very truly yours~
