On Memorial Day, Monday 25 May 2026 at 1030 hours, Monterey Peninsula Branch 178, Fleet Reserve Association will be holding a Memorial Day Ceremony on the Coast Guard Pier in Monterey in memory of our shipmates who have transferred to the Staff of the Supreme Commander since our last ceremony on Memorial Day 2025.

We invite you to come and participate by adding the names of those of your shipmates who have lost since our last ceremony. As a part of the ceremony, we will be tossing a wreath upon the waters in their memory and you are invited to do the same. Please note that all wreaths and flower arrangements must be completely organic. No plastic or metal.

If you or your representative are not able to attend but wish to have your lost shipmates remembered, you can forward to me a list and we will have it read on your behalf.

If there are any questions, I can be contacted as shown below
